The risks associated with investing in a Fund depend on the securities and assets in which the Fund invests, based upon the Fund's particular objectives. There is no assurance that any Fund will achieve its investment objective, and its net asset value, yield and investment return will fluctuate from time to time with market conditions. There is no guarantee that the full amount of your original investment in a Fund will be returned to you. The Funds are not insured by the Canada Deposit Insurance Corporation or any other government deposit insurer. Please read a Fund's prospectus or offering memorandum before investing.

SPR&Co LP is the investment manager to the Sprott Funds (collectively, the "Funds"). Important information about these Funds, including their investment objectives and strategies, purchase options, and applicable management fees, performance fees (if any), and expenses, is contained in their prospectus or offering memorandum. Please read these documents carefully before investing. Commissions, trailing commissions, management fees, performance fees, other charges and expenses all may be associated with investing in the Funds. The indicated rates of return for series F/class F and class A units/shares of the Funds for the period ended August 31, 2017 are based on the historical annual compounded total returns including changes in unit/share value and reinvestment of all distributions or dividends and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated.
