

Ninepoint Energy Income Fund

A generational investment opportunity that pays dividends

Energy continues to be a vital sector as the world undertakes a multi-decade transition to a lower carbon future. Ninepoint Energy Income Fund gives investors access to the oil side of this generational energy transition opportunity, offering investors the potential for capital appreciation and consistent income by investing in dividend paying energy companies.

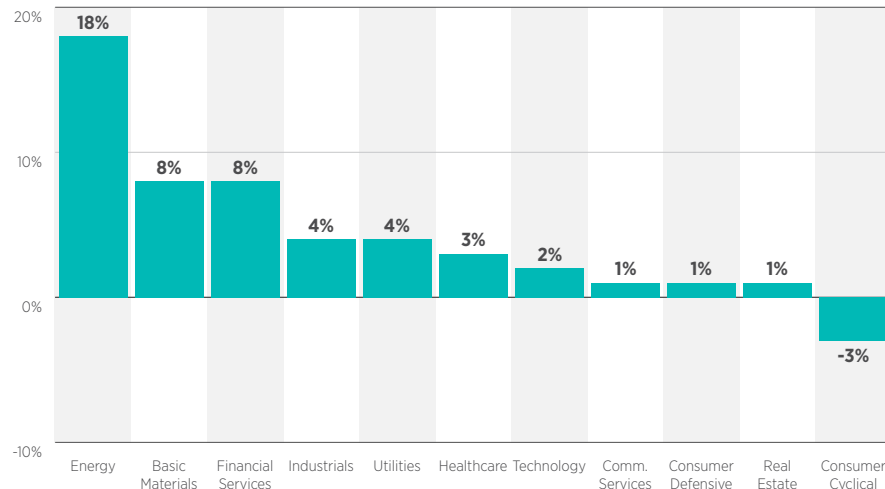

Global Oil Demand to Grow through 2050 Despite Surging Renewables

Source: US Energy Information Administration.

5-Year Growth of Dividend Payers

Number of energy companies paying dividends increased more than other sectors.

Source: Morningstar.com, February 9, 2022, Why Energy Stocks Are Gushing High Dividends.
